ARTICLE I GRIEVANCE PROCEDURES

A. DEFINITION

A "Grievance" shall mean an allegation by a teacher that there has been to him/her a personal loss, injury, or inconvenience because of a violation, misinterpretation, or inequitable application of this agreement.

A grievance, to be considered under this procedure, must be initiated by the teacher within ten (10) school days from the time when the teacher knew, or should have known, of its occurrence.

Aggrieved Person.

An aggrieved person is the person or persons making the complaint.

Party in Interest.

A "Party in Interest" is the person or persons making the complaint and any person, including the Association or the Board, or their representative, who might be required to take action or against whom action might be taken in order to resolve the complaint.

Purpose.

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Time Limits.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving teacher or of the teaching staff.

B. PROCEDURE

Step One:

An attempt shall be made to resolve any grievance in informal verbal discussion between complainant and his or her principal.

Step Two:

If the grievance cannot be resolved informally, the aggrieved teacher shall file the grievance in writing, using Grievance Report, Form, A, and, at a mutually agreeable time discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) school days from the date of occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance and communicate it in writing to the teacher and the Superintendent within ten (10) school days after receipt of the grievance.

Step Three:

The teacher, not later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent or appropriate designee.

The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and the teacher's dissatisfaction with the decisions previously rendered. The Superintendent shall communicate his/her decision in writing to the teacher and the principal.

If the decision of the Superintendent does not resolve the grievance to the satisfaction of the Association and the Association wishes to review by a third party, they shall so notify the School Board through the Superintendent within ten (10) school days of receipt of the Superintendent's decision.

Step Four:

If the grievance is not resolved satisfactorily at Step 3, there shall be available a fourth step of impartial binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving teacher to the Superintendent within ten (10) school days from receipt of the Step 3 answer to enter into such arbitration.

Selection of the Arbitrator:

Within the (10) days after such written notice of submission to arbitration, the Superintendent and Association may attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator to obtain such a commitment within the 10-day period, a request for a list of arbitrators shall be made to the (PERB) Public Employment Relations Board by the moving party. The parties shall be bound by the rules and procedures of the (PERB).

The expense for the arbitrator's services shall be borne equally by the School District and the Association.

The arbitrator shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented to him or her in writing by the School District and the Association, and the arbitrator's decision must be based solely and only upon his or her interpretation of the meaning or application of the express relevant language of the Agreement.

D. EVALUATION CONFERENCES

1. A copy of each written formative evaluation shall be given to the employee and a conference shall be held between the employee and the evaluator within five (5) days following the formative observation. The summative evaluation conference will be held near the end of the school year and a copy of the summative evaluation instrument will be provided the employee.

Follow-up observations will be made to determine if the professional improvement plan has been successful. Modifications to the professional improvement plan or additional plans may be developed if adequate progress has not been made.

3. The employee shall have at least one day's prior notice concerning the date of a formative or summative evaluation conference. This one-day notice requirement can be waived by mutual consent of the evaluator and employee.

ARTICLE VI REDUCTION OR REALIGNMENT

A. CRITERIA

The Board of Education and Administration will continuously study enrollment trends and budget as they relate to specific programs and educational levels. Before the Board of Education reduces size of the staff, careful analysis of the educational program will be made to insure the maintaining of a quality educational program.

When in the judgment of the Board of Education and administration one or more employees are to be laid off because of, but not limited to, a change in size or nature of the student population, a reduction in program merger or reorganization, or sharing programs, and/or budgetary limitations, the procedures shall be as follows:

1. The Board shall attempt to accomplish staff reduction by attrition.
2. In the event necessary reduction in staff cannot be accomplished by attrition any teacher holding a temporary or emergency certificate will be terminated first.
3. If staff reduction still has not been accomplished, teacher performance becomes the deciding criterion because the goals of the administration and Board of Education are to provide the best education possible for students. The Administration and Board of Education are the sole determiners of this teacher performance level through their evaluations and recommendations.

If a choice must be made between 2 or more teachers of equal skill, ability, competence, and qualifications for the available position, the teacher with more seniority will be given an additional 3 points on his/her most recent Summative Teacher Performance Evaluation total.

4. Seniority is based on the time of employment by the Fonda, Newell-Fonda, or Newell-Providence Schools.

B. PROCEDURE

The Administration shall provide written notice to the Association by March 15 of possible staff reductions for the following year. The Administration shall also provide written notice by March 15 to each person who would possibly be affected.

Any teacher terminated or realigned pursuant to the need for cutting of staff will be considered for recall for a period of two (2) years.

After evaluation and finding all things equal as to competency and potential effectiveness, persons shall be recalled in reverse order of their termination or realignment. The offer of such position by the district shall be sent by certified mail and

shall be accepted or rejected within thirty (30) days (calendar days) after the date of acceptance. Failure on the part of the staff member to meet either of these requirements shall nullify the offer. The thirty-day requirement may be extended by the Superintendent.

A teacher who signs a continuing contract with another school district forfeits all recall rights of this policy. If a teacher signs a teaching contract with another school district, with the hiring district's knowledge that such contract is for one school year or less, said teacher does not forfeit recall rights with Newell-Fonda Community School District. Any teacher who has signed a contract with another school district for one year or less will not be recalled by the Newell-Fonda Community School District until said teacher has fulfilled his or her contract.

Any teacher who signs a teaching contract with another school district shall immediately notify the Newell-Fonda Community school superintendent in writing of such signing and to the type of contract signed.

If an employee under recall is unable to accept a position offered to him/her because of health reasons of the employee or immediate family as verified by a doctor's written report, the employee does not forfeit his/her recall rights for the remainder of the two year recall period.

All benefits to which the employee was entitled at the time of his/her layoff, including but not limited to unused accumulated sick leave, will be restored to the employee upon his/her return to active employment and the employee will be placed on the proper step of the salary schedule for the employee's experience and education at the time of recall.

ARTICLE XIII
BEGINNING TEACHER MENTORING AND INDUCTION
PROGRAM

A. The 79th General Assembly of Iowa, 2001 Session, passed Senate File 476 and House File 413 establishing a Beginning Teacher Mentoring and Induction Program. Chapter 83 of the Iowa Administrative Code further clarifies the requirements of Iowa school districts in regards to this legislation. As required by the law, the Newell-Fonda School has submitted an amendment to our CSIP that includes a plan meeting the state requirements for the Beginning Teacher Mentoring and Induction Program. The Newell-Fonda School will follow the law regarding the Beginning Teacher Mentoring and Induction Program which includes the compensation for mentors until such time the law is changed or rescinded or ceases to be funded by the state. If that happens, ARTICLE XIII will be eliminated from the master contract.
